Criterion C: Communicating		Criterion D: Thinking Critically	
Level	Descriptor	Level	Descriptor
0 50% and below F	The student does not reach a standard described by any of the descriptors below.	0 50% and below F	The student does not reach a standard described by any of the descriptors below.
1-2 64%-68% D	communicates information and ideas in a limited way , using a style that is limited in its appropriateness to the audience and purpose structures information and ideas according to the specified format in a limited way documents sources of information in a limited way .	1-2 64%-68% D	analyses concepts, issues, models, visual representation and theories to a limited extent summarizes information to a limited extent to make arguments describes a limited number of sources/data in terms of origin and purpose and recognizes nominal value and limitations identifies different perspectives and minimal implications.
3-4 74%-78% C	communicates information and ideas satisfactorily by using a style that is somewhat appropriate to the audience and purpose structures information and ideas in a way that is somewhat appropriate to the specified format sometimes documents sources of information using a recognized convention.	3-4 74%-78% C	analyses concepts, issues, models, visual representation and theories summarizes information to make arguments analyses and/or evaluates sources/data in terms of origin and purpose, recognizing some value and limitations interprets different perspectives and some of their implications.
5-6 84%-88% B	communicates information and ideas accurately by using a style that is mostly appropriate to the audience and purpose structures information and ideas in a way that is mostly appropriate to the specified format i. often documents sources of information using a recognized convention.	5-6 84%-88% B	discusses concepts, issues, models, visual representation and theories synthesizes information to make valid arguments effectively analyses and evaluates a range of sources/data in terms of origin and purpose, usually recognizing value and limitations interprets different perspectives and their implications.
7-8 94%-98% A	communicates information and ideas effectively and accurately by using a style that is completely appropriate to the audience and purpose structures information and ideas in a way that is completely appropriate to the specified format consistently documents sources of information using a recognized convention.	7-8 94%-98% A	completes a detailed discussion of concepts, issues, models, visual representation and theories synthesizes information to make valid, well-supported arguments effectively analyses and evaluates a range of sources/data in terms of origin and purpose, consistently recognizing value and limitations thoroughly interprets a range of different perspectives and their implications.
