

SWPBIS LAUSD S

School Wide Positive Behavior Intervention & Support

The Los Angeles Unified School District is committed to providing safe and healthy school environments that support all students in every aspect of their well-being.

**Creating A Positive
School Culture**

**Proactive
Behavior Management**

UPDATES: 2/16/2021

Rise Program

The RISE Index is an assessment tool that SWPBIS Committee will use to evaluate their current policies, practices, systems, and environments through the lens of student and staff resilience. This tool provides us with strategies we can implement and goals to work toward that boost social-emotional health for both students and staff.

Covid19 Task Force: Facilities preparation

February/March Focus: Facilities Preparation

PPE Equipment and Supplies

Classroom Prep

Restrooms and

Drinking Fountains
